**Stephen R. Covey : The Wisdom and Teachings of Stephen R. Covey** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Wisdom and Teachings of Stephen R. Covey:

0 of 0 people found the following review helpful. Bartlett's Familiar Quotations for Stephen Covey!By Jon L.Such a great companion piece to The 7 Habits of Highly Effective People. I love the way that the quotes are organized by habits, and how it also includes quotes that Dr. Covey drew inspiration from as well.1 of 1 people found the following review helpful. S Covey -Wisdom and TeachingsBy Happy Shopper! :)This is simply and beautifully done! I love the writings chosen! Stephen Covey is well known for all the books he has written - especially geared toward the corporate world. I like this compact book, as it is a compilation of his works written in simple format. It is great to pick up and read a chapter here and there! Thank you!3 of 3 people found the following review helpful. Good overview of Dr. Covey's workBy John B. SpenceGreat recap of a lot of Steven's best ideas. Fun to read, inspirational

and all good reminders. Definitely worth reading.

This commemorative collection captures the essence of Dr. Stephen R. Covey's most profound teachings on business, success, management, family, and love. Stephen R. Covey passed away in July 2012, leaving behind an unmatched legacy with his teachings about leadership, time management, effectiveness, success, and even love and family. A multimillion-copy bestselling author of self-help and business classics, Dr. Covey strove to help readers recognize the key elements that would lead them to personal and professional effectiveness. His seminal work, *The 7 Habits of Highly Effective People*, transformed the way people act on their problems with a compelling, logical, and well-defined process. Indeed, many of the habits have been assimilated into everyday thinking and everyday conversation. For example, the expressions "win/win" and "first things first," to name a few, have been incorporated into almost every business culture around the world. *The Wisdom and Teachings of Stephen R. Covey* is a compilation of Dr. Covey's most insightful, inspiring teachings and sayings. His profound influence spread beyond businesses and individuals and was even integrated into governments, school systems, and many other institutions with great success. This book covers his most impactful topics: time management, success, leadership—including principle-centered leadership—all of the 7 Habits, love, and family. This powerful collection is a lasting tribute to the inspirational luminary that so many will miss. \*\*\* Selected Wisdom from Stephen R. Covey: "How different our lives are when we really know what is deeply important to us, and keeping that picture in mind, we manage ourselves each day to be and to do what really matters most." "Live, love, laugh, leave a legacy." "But until a person can say deeply and honestly, 'I am what I am today because of the choices I made yesterday,' that person cannot say, 'I choose otherwise.'" "Seek first to understand, then to be understood." "To touch the soul of another human being is to walk on holy ground."

"You will discover your own potential in this short compendium." (Bookviews.com) About the Author: Recognized as one of Time magazine's twenty-five most influential Americans, Stephen R. Covey (1932–2012) was an internationally respected leadership authority, family expert, teacher, organizational consultant, and author. His books have sold more than twenty-five million copies in thirty-eight languages, and *The 7 Habits of Highly Effective People* was named the #1 Most Influential Business Book of the Twentieth Century. After receiving an MBA from Harvard and a doctorate degree from Brigham Young University, he became the cofounder and vice chairman of FranklinCovey, a leading global training firm. Excerpt, copy; Reprinted by permission. All rights reserved. INTRODUCTION This book contains the crystallized wisdom of one of the great teachers of our time, Dr. Stephen R. Covey. As a young man, Dr. Covey was expected to work in his family hotel business, but that wasn't the path for him. He wanted to make a different contribution—to be a teacher, to dedicate his life to unleashing human potential. "Every human being is precious," he wrote, "endowed with enormous, almost infinite potential and capacity." To that end he studied at Harvard graduate school, became a university professor, and then widened his circle of influence as a consultant to business and government leaders. With the 1989 publication of *The 7 Habits of Highly Effective People*, considered by many the most influential book of our time, Dr. Covey had—and continues to have—worldwide impact. This book and his others can be found in home and office libraries literally around the globe. Not only his teaching but his life reminds us of the power of enduring principles. He was not interested in riding fads or pandering for publicity. His passion was to articulate and teach the unchanging, immutable, and ageless truths of life—truths that apply equally well to professional success and to deep personal satisfaction. He also lived by those truths, as countless friends, family members, and students of Dr. Covey will attest. Arranged under the decisive principles of life—such as integrity, life balance, vision, and love—the stories and quotations in this book teach those principles in accessible, gemlike form. Although Dr. Covey has passed from us, we will always have the benefit of his timeless teachings—that truth is truth and is self-evident, that you can't live without principle and expect the universe to accommodate you, and that your life is a precious one that you can waste in mediocrity or invest in greatness. —The Covey Family
