Jan Secrist, Jacqueline Fitzpatrick : What Else You Can Do With a PH.D.: A Career Guide for Scholars (1-Off Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised What Else You Can Do With a PH.D.: A Career Guide for Scholars (1-Off Series):

5 of 5 people found the following review helpful. Fine for what it is, but overpriced for what you get By Thomas Gryn
The authors attempt to tailor their writing to Ph.D.s who wish to pursue careers outside of academia. This is an

admirable goal, as this is a genre in which relatively little has been written. Unfortunately, WEYCDWAPhD doesn't add significantly beyond what one finds in most job-seeking books, mostly relegating itself to basics like how to write a resume, how to interview for a job, etc. Their use of the Myers-Briggs personality indicator to guide readers to jobs which fit their personalities was fine, if necessarily abbreviated because of the book length. I liked the chapter on negotiating, as that is something too many get-a-job books for new graduates don't cover enough - I suppose because those books' intended readers often have no advanced skills to barter with, something not true of this book. ... However, this would be a good acquisition for university job centers or libraries.

What Else You can Do With a PhD provides concrete advice and support for readers moving out of academia. The authors cover all the big issues including skill and interest assessment, writing an effective curriculum vitae and cover letters, preparing for interviews and evaluating job offers.

" This book will serve as a light-hearted but strong life-line to many readers who are for one reason or another steeling themselves to walk way from ivory tower." nbsp;"This book will serve as a light-hearted but strong life-line to many readers who are for one reason or another steeling themselves to walk way from ivory tower." -- Jennifer Lee Carrell" This book will serve as a light-hearted but strong life-line to many readers who are for one reason or another steeling themselves to walk way from ivory tower." --Jennifer Lee Carrell" This book will serve as a light-hearted but strong life-line to many readers who are for one reason or another steeling themselves to walk way from ivory tower." --Jennifer Lee Carrell-This book will serve as a light-hearted but strong life-line to many readers who are for one reason or another steeling themselves to walk way from ivory tower.- --Jennifer Lee Carrell "This book will serve as a light-hearted but strong life-line to many readers who are for one reason or another steeling themselves to walk way from ivory tower." nbsp; (Jennifer Lee Carrell) About the Author Secrist is a communication consultant, career transition trainer and university instructor.
