1 of 1 people found the following review helpful. Four StarsBy john moughtyGreat book ...dealer highly recommended.2 of 3 people found the following review helpful. read before opening a Fidelity account!By Elisabeth L.I wished I had read this book years ago! Best advice ever. It tells you what you need to know about Fidelity. Yet be carefull he is clearly biased in favor of Fidelity. This book should not substitute as investment advice, but it gives you the back ground information on fees, rules for trading and other important technical facts.1 of 1 people found the

following review helpful. Everyone should have one...By M-ReaderThis book is now over 10 years old. That's usually reason enough to pass over most non-fiction or business/financial books. However, that would be a serious mistake. Written by probably the ultimate independent Fidelity insider, it is a absolute wealth of Fidelity historical and reference information. There's additional details on a number of various funds and nearly all of them still exist and most of them still have the same fund manager. This is not a 'how to make money' book or kiss and tell all of company internals but rather an excellent primer for Mutual Fund investing for cash investors or IRA 401-K investors. My copy is getting added to my library for future reference.

Fidelity offers investors some of the most innovative financial tools, products, and platforms currently available, and with *What Every Fidelity Investor Needs to Know*, James Lowell;one of the most trusted names in the investment business and a self-described Fidelity fanatic;will help you get the best out of what Fidelity has to offer; whether it be through taxable accounts, IRAs, or 401(k)s.

From the Inside FlapWith more than \$1.1 trillion in mutual fund assets and more than nineteen million shareholders, Fidelity Investments has long ruled the mutual fund industry. But its services extend far beyond mutual funds to include discount brokerage services, retirement services, estate planning, securities execution and clearance, life insurance, and venture capital. While Fidelity offers both novice and sophisticated investors some of the most innovative financial tools, products, and platforms currently available, the degree to which you'll benefit from your relationship with Fidelity depends upon how much you're willing to put into it. That's why James Lowell;one of the most trusted names in the investment business and a self-described Fidelity fanatic;has written *What Every Fidelity Investor Needs to Know*. When it comes to investment know-how and guidance, Lowell's advice;some of which can be found in his multiple award-winning, independent newsletter *Fidelity Investor* (www.fidelityinvestor.com);has helped hundreds of thousands of investors consistently outperform the market with less risk. And now he wants to show you how to do the same. *What Every Fidelity Investor Needs to Know* is a clear and distinct guide that will help you get the best out of what Fidelity has to offer;whether it be through taxable accounts, IRAs, or 401(k)s. Using his proven investment experience and professional insights, Lowell walks you through the process of: Opening and understanding your Fidelity accounts;from reading your statements to investing online Planning for your retirement, saving for your child's education, and making charitable donations through Fidelity Choosing from more than 300 actively managed, index-focused, and ETF-based funds;including Fidelity's Magellan Fund, Spartan Funds, and the ONEQ Tailoring a portfolio to your specific needs, risk tolerance, and investment objectives And much more While firmly focused on the financial issues that matter to you most, this practical guide also takes the time to familiarize you with the distinct culture that has allowed Fidelity;and its investors;to prosper for more than fifty years. Not only will you learn about the distinguished history of this great company, but you'll also discover some of its long-standing traditions, such as why Fidelity prefers to develop its own management talent. Engaging and accessible, informed and actionable, *What Every Fidelity Investor Needs to Know* contains the information you need to secure your financial future today.

From the Back CoverPraise for *What Every Fidelity Investor Needs to Know* "No one knows more about Fidelity, nor communicates it more eloquently, than Jim Lowell. An added bonus is that his fund picks and portfolio composition have a record of beating the market, with less risk. No Fidelity investor should be without this invaluable guide." —Daniel P. Wiener Editor, *The Independent Adviser for Vanguard Investors* www.AdviserOnline.com "This book is a fascinating read for anybody who wants to learn about the history and inner workings of America's largest fund company, as well as find out how best to use its vast resources to improve investment returns." —David Callaway Editor in Chief, *MarketWatch.com* "Nobody knows Fidelity better than Jim Lowell, nor explains it more clearly to the rest of us." —Timothy Middleton Mutual Funds Columnist, *MSN Money* author of *Investment Secrets* from PIMCO's Bill Gross "Among the dozens of so-called Fidelity gurus I have met, Jim Lowell stands out because he is not only an expert on all of Fidelity's hundreds of fund products, but he has an insider's knowledge of the portfolio managers who call the shots. Best of all, his clear explanations cut through the jargon for investors." —Matthew Schiffrin Vice President and Editor, *Forbes Newsletter Group*
