Vince Lombardi : What It Takes To Be Number #1: Vince Lombardi on Leadership before purchasing it in order to gauge whether or not it would be worth my time, and all praised What It Takes To Be Number #1: Vince Lombardi on Leadership:

1 of 1 people found the following review helpful. A Good Motivational Tool By Brooklyn Joe This book is a good

motivational tool for people that like inspiration in their businesses or lives. The author did a nice job in putting together a book based on leadership lessons that were learned by his legendary father, Coach Vince Lombardi. Overall, it was a very good and enjoyable book which can be read at a very quick pace. However, I felt that at certain times the flow of the book was a little bit difficult and the breakdown of the chapters were a bit confusing. In addition, there were certain points that were repetitive. Nevertheless, I am a believer that one can never get enough motivation in their lives. Therefore, I recommend this book as a quick read to anyone that wants to be motivated by a true legend. The two best points that I learned came at the end: 1. Winning isn't everything, it's the only thing. 2. When all is said and done, we are judged by one thing: winning. I feel that if one can take these two points to work every single day, then he has gained a valuable lesson from this book and from Vince Lombardi. I recommend this book to anyone looking to succeed and accel in their business or their lives. 0 of 0 people found the following review helpful. This is the miniature edition!?! By Ashley This is the miniature edition!?! It fits in the palm of my hand - miniature. I guess I should read the full product description before hitting the purchase button, eh? To say the least, I was disappointed. I have never really understood the purpose of miniature books and it looks rather silly on my book shelf next to the "regular-sized" books. 0 of 0 people found the following review helpful. Five Stars By Pseudopod Inspiring book.

Leadership continues to be one of the most written-about and most trained-for qualities in business today. And no figure so fully embodies the leadership qualities managers hope to cultivate in their professional and personal lives as the late Vince Lombardi, the greatest NFL coach of all time. The exalted place Lombardi holds in American culture has never been clearer than it is today, as evidenced by the enormous success of the 1999 bestseller, *When Pride Still Mattered*, as well as the vast popularity of the coach's son, Vince Lombardi, Jr., America's most sought-after motivational speaker. In *What It Takes to Be #1*, Vince Lombardi, Jr. explores his father's leadership philosophy, and extracts powerful lessons about what it takes to be an effective leader. Taking as his jumping-off point his father's legendary 1970 speech on the supreme importance of self-knowledge, character, and integrity, Lombardi, Jr. examines each of those qualities and offers guidelines on cultivating and applying them at work and in your personal life. Throughout, *What It Takes to Be #1* is enlivened by personal anecdotes and quotes about and by his father, as well as quotes from other great leaders providing further wisdom and inspiration.

"Winning is not a something thing, it is an all the time thing. You don't win once in a while, you don't do things right once in a while, you do them right all the time. Winning is a habit, unfortunately so is losing...." ---Vince Lombardi, June 22, 1970 From the Back Cover *The First Step-by-Step Guide on How Anyone Can Develop Lombardi-Like Leadership Skills* --Now In Paperback! Legendary coach Vince Lombardi--loved by some, feared by others, but respected by all--was first and foremost a winner. His unparalleled ability to inspire greatness, and mold disparate groups of individuals into dominating championship teams, made Lombardi an icon both on and off the playing field. In *What It Takes to Be #1*, the one person who could truly understand Vince Lombardi's unrelenting passion for winning--his son, acclaimed writer and professional speaker Vince Lombardi Jr.--explores the fundamental leadership qualities that Vince Lombardi considered essential to success, then shows how anyone can skillfully apply those qualities to achieve breakthrough success in virtually any endeavor. Praise for *What It Takes to Be #1*: "[Vince Lombardi Jr.] distills the substance of the famous coach's utterances and his living example into lessons that anyone can use to become a better leader and better person. . . . [What It Takes To Be #1] may inspire you to start a process of self-discovery that could enrich your life and make you more effective at whatever you do." --Fort Worth Morning Star "Interpreting his father's advice for businesspeople, Lombardi hangs this book on the framework of the famous coach's much repeated speech on leadership. . . . the basic "winning model" says to know yourself, build your character, earn your stripes, think big picture, and understand that leaders are made, not born." --The Business Reader About the Author Vince Lombardi Jr. is a writer, attorney, and motivational speaker. A former member of the Minnesota state legislature, Lombardi has held a number of executive positions in professional football. He is also the author of *The Essential Vince Lombardi*.
