This book is a great testimony of what God can do to a person in the work environment. Amazing story and great tips to change your attitude at work. This is a "must" read for all Christians that think that God is found only in the Church.

Great insight and good tips, too!  
Loved the Christian perspective. A must read for everyone in the work force.  
Easy read.

Every day millions of people show up for work to do a job they don't enjoy for a boss they don't like for pay they consider insufficient. Sound familiar? Maybe you are one of the lucky ones who likes what you do for a living. But whether you are stuck in a job you don't like or look forward to work every day, you have the opportunity to increase your level of satisfaction, significance, joy and productivity. In *Winning at Work*, you will uncover secrets to getting ahead that perhaps you've never considered before. This is not just another self-help book. Be prepared to be surprised, delighted and maybe, just maybe inspired to embrace ideas and habits that will cause you to get more out of the time you spend on the job. So get ready for change! Just one hour of reading *Winning at Work* will revolutionize your life!
