From Palgrave Macmillan : Wise Management in Organisational Complexity before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wise Management in Organisational Complexity:

Provides a resource of wise praxis and reflection in the context of organisational complexity for managers, researchers and teachers in management education. Offers various explications and applications of Aristotle's notion of *phronesis* (practical wisdom) and reflects on the responsibilities of companies and education institutions towards

society.

To come
