**Sandi J Davies : Women in the Security Profession: A Practical Guide for Career Development** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Women in the Security Profession: A Practical Guide for Career Development:

Women in the Security Profession: A Practical Guide for Career Development is a resource for women considering a career in security, or for those seeking to advance to its highest levels of management. It provides a historical perspective on how women have evolved in the industry, as well as providing real-world tips and insights on how they can help shape its future. The comprehensive text helps women navigate their security careers, providing information on the educational requirements necessary to secure the wide-ranging positions in today's security field. Women in the Security Profession describes available development opportunities, offering guidance from experienced women professionals who have risen through the ranks of different security sectors. Features career

profiles and case studies, including interviews with women in the industry, providing a deeper dive inside some exciting and rewarding careers in security Provides a history of women in security, and an exploration of both current and expected trends Offers experienced advice on how to resolve specific biases and issues relating to gender

"This book is an excellent reference for women considering a career in security, but it's also a useful text for anyone who is curious to understand how women fit into the male-dominated security profession." --Security Management "A book largely written by women is not intended solely for them. The other sex can learn a lot about career development from the contributors. A QA feature permits many contributors to write candidly about their experiences...This book makes the pathway clear for vocational advancement." --Security Letter About the Author Sandi J Davies has served as the Executive Director of the International Foundation for Protection Officers (IFPO) for more than 25 years. She is the former Chairperson of the Security Services Council for ASIS International, and is currently a member of the Security Services Council and the Women In Security Council of ASIS International. Sandi has edited eight editions of The Professional Protection Officer, as well as all four editions of Security Supervision: Theory and Practice of Asset Protection.
