Russ Alan Prince, Hannah Shaw Grove : Women of Wealth before purchasing it in order to gauge whether or not it would be worth my time, and all praised Women of Wealth:

Harness a widely untapped market with the keys to attracting and retaining this successful client-base, written by a leading authority focused on the affluent market. Discover extensive research on the motivation leading to the

selection of an advisor and common criteria for affluent female investors who stay with advisors more than three years. Become technically adept and discover effective personal marketing skills. nbsp;
