**International Monetary Fund : World Economic Outlook, April 2005: Globalization and External Imbalances (Spanish Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised World Economic Outlook, April 2005: Globalization and External Imbalances (Spanish Edition):

The World Economic Outlook, published twice a year in English, French, Spanish, and Arabic, presents IMF staff economists' analyses of global economic developments during the near and medium term. Chapters give an overview of the world economy; consider issues affecting industrial countries, and economics in transition to market; and address topics of pressing current interest. Annexes, boxes, charts, and an extensive statistical appendix augment the
