International Monetary Fund : World Economic Outlook, September 2003: Public Debt in Emerging Markets (French Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised World Economic Outlook, September 2003: Public Debt in Emerging Markets (French Edition):

The World Economic Outlook, published twice a year in English, French, Spanish, and Arabic, presents IMF staff economists' analyses of global economic developments during the near and medium term. Chapters give an overview of the world economy; consider issues affecting industrial countries, and economics in transition to market; and address topics of pressing current interest. Annexes, boxes, charts, and an extensive statistical appendix augment the
