Ed Slott : Your Complete Retirement Planning Road Map: A Comprehensive Action Plan for Securing IRAs, 401(k)s, and Other Retirement Plans for Yourself and Your Family before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Complete Retirement Planning Road Map: A Comprehensive Action Plan for Securing IRAs, 401(k)s, and Other Retirement Plans for Yourself and Your Family:

2 of 2 people found the following review helpful. Straight shooting advice on handling IRA, ROTH and 401K accounts when estate planning. By LeeMKE Answered questions I could not find correctly answered by other estate professionals. How best to handle your assets when a lot is in IRA, ROTH, 401K or other retirement plans. The ideal solution for most of us (estate under \$5 million) is simple, but there are some twists and turns to be considered to best enhance the outcome for your heirs. Highly recommend. 2 of 2 people found the following review helpful. Terrific guide for Retirement Account management! By Marian Librarian I love the checklists Ed Slott provides in this early edition of his guide for Retirement Planning. Also get a copy of The Retirement Savings Time Bomb and how to defuse it. by Ed Slott for updated information on the changes in law affecting IRAs and 401ks, 403bs etc. since the publication of Ed's Retirement Planning Road Map. Both books are indispensable! 1 of 1 people found the following review helpful. info about retirement money after age 66 By senior in Portland-metro after watching Ed Slott on PBS I got this book to help me understand what I need to do to keep my retirement money mostly intact not be overly taxed. Good info. Easy to read/understand.

This is the same diagnostic system I use with my own clients and with the financial advisors I train. So, going through it will be like having me sitting beside you, whispering in your ear, guiding you every step of the way. — from Your Complete Retirement Planning Road Map Corporate pensions are disappearing. Social Security is in trouble. And the sizable postwar generation is reaching retirement age. With the futures of millions of Americans at stake, Ed Slott, the country's foremost retirement planning advisor, now offers expert advice on weathering the perfect storm of financial instability that looms on the horizon. Your Complete Retirement Planning Road Map, Slott's most essential and accessible book yet, provides clear step-by-step directions through the highways and byways of IRAs, 401(k)s, 403(b)s, and other major accounts. In five helpfully focused sections, Slott combines crucial facts with interactive checklists and questionnaires (those he uses with his own clients) to teach investors and beneficiaries alike the best way to save and to maximize an inheritance. Inside yours — you'll discover — My Account Inventory: an overview of every retirement savings account you own, whether yours — re thirty or sixty-five — from what it is and where it is to who gets it and how, plus where to put important data for easy access and where to store your essential documents (hint: not in a safe-deposit box) — The Account Owner's Care Solution: how to properly fill out retirement account beneficiary forms so that whatever amount of money is left in your account after you've fully enjoyed retirement will go to whomever you choose and not to relatives who suddenly pop up out of nowhere — The Account Beneficiary's Care Solution: what to do when you inherit so that you won't lose any of the tax benefits and other opportunities your benefactor has created for you, or make a mistake that could wipe out an inherited fortune that took years to build up — The Special Issues Care Solution: how to handle the out-of-the-box issues that could affect you or your beneficiaries (e.g., life events such as divorce or incapacity; tax issues for unmarried partners; decisions about trusts) — The Follow-up Care Solution: how to keep your planning on track and make adjustments when circumstances change, and how to determine whether your professional retirement advisor is really up to the task of preserving and protecting your money — Plus: the most up-to-date information on tax laws, including the Pension Protection Act of 2006, which provides major new retirement incentives that you can take advantage of Your Complete Retirement Planning Road Map is an indispensable planning solution that is sure to become the standard how-to on a complex subject that is becoming relevant to more people every day. From the Hardcover edition.
