Robert Bittner : Your Perfect Job: A Guide to Discovering Your Gifts, Following Your Passions, and Loving Your Work for the Rest of Your Life before purchasing it in order to gauge whether or not it would be worth my time, and all praised Your Perfect Job: A Guide to Discovering Your Gifts, Following Your Passions, and Loving Your Work for the Rest of Your Life:

0 of 0 people found the following review helpful. Excellent book for all ages. By Kelly Hudson This book is well-

written and easy to follow. It is faith based and really digs down to the core of who you are and what you love. 5 of 5 people found the following review helpful. A Wonderful Guide ...and Resource! By A Customer Thanks be to Robert Bittner for giving this generation their own parachute to color with the stories of others. A wonderful reminder of discovering your passion in the workplace. Put this in the hand of any college-age student, any one considering mid-career work changes or just wanting new zeal for their current job. 2 of 3 people found the following review helpful. This book is misclassified By G. Barbaro I wish I had read the reviews before getting this book . . . this book is more about Christianity and Faith (which is fine, I'm OK with that), then getting a job. Its OK to combine the two, if that's what you're looking for . . . but it really should be clearly disclosed upfront.

"So What Are You Going to Do Now?" This question often leaves young adults feeling fearful and confused as they look towards life careers. Author Bob Bittner says finding work you love is not as intimidating as it seems. Your Perfect Job helps readers identify their passions, skills, and inclinations in terms of God's calling on their lives. Readers will better understand why it's important to do what they love, how to get started on a career path that is meaningful, how to make mid-course changes, and how to start a new job on the right foot. Drawing on interviews with dozens of young working professionals, Your Perfect Job introduces readers to a wide array of career opportunities and shows how real people went from less than perfect jobs into careers that perfectly matched their personality and passions. Designed for young adults, this book is a perfect selection for high school and college grads, or someone getting ready to make a career change. From the Trade Paperback edition.

From the Inside Flap "So What Are You Going to Do Now?" This question often leaves young adults feeling fearful and confused as they look towards life careers.
